

During the course of this week, the PFA, through Olio, have made surplus food available in the front entrance porch of the school.

Please take as much as you need.

FREE FOOD

Have you heard of Olio?

Several parents are volunteers for Olio, a free food waste app for local communities, with a mission to reduce waste. Volunteers collect surplus food from businesses that include Tesco, Sainsbury and Waitrose.

Why are we mentioning Olio?

Olio is great however there is so much surplus food from 16/09/2024 volunteers will bring the surplus food to be displayed in the school Foyer, next to lost property, these items will be things like fruit, veg and bread, it could be the day past the best before date but will NOT be past the use by date. This is free to collect in the mornings on school drop offs.

It would be great if we could make this a success and prevent so much food going to landfill.

Lets work together to reduce waste, save some pennies and encourage our children to become creative with their food!

If you have any questions please, contact Hannah Walsh, Johanna Spooner or Sally Prout.
