Dear Parents and Carers,

Re: Appointment of New Parent Governor

We are pleased to inform you that, following the recent parent governor election, Rebecca Ryeland has been successfully appointed as our new Parent Governor on the Governing Board.

Miss Ryeland brings with her experience of working within a professional environment and a strong commitment to supporting our school community. As a parent of a child in Year Three, she has a good understanding of the school family and the wider community. As a Parent Governor, Miss Ryeland will play a vital role in helping to shape the strategic direction of the school, contributing to important decisions that support our students, staff, and community. We are confident that her input will be valuable in continuing to improve and maintain the high standards of education at our school.

We would also like to take this opportunity to thank all parents who stood for election and express our appreciation for their willingness to become involved in the governance of the school. We are fortunate to have such an engaged and supportive parent body.

If you have any questions or would like to find out more about the role of a Parent Governor, please feel free to contact the school office or speak directly to Rebecca Ryeland when you see her around the school.

Thank you for your continued support of Bickleigh Down CE (Aided) Primary School. We look forward to the positive contributions that Miss Ryeland will make in their new role.

Yours sincerely,

JH Hamilton
