Headteacher: Mrs Tameka Hue Hamilton

Monday 9th February 2026

Dear Parents and Carers,

In English, this week we will be:

- Making Valentine Love Bug biscuits.
- Sequencing photos and writing instructions for how to make the biscuits. The children have been learning about bossy verbs such as put, get and dip.

The children will bring the biscuits home and will not be eating the biscuits in school. However, if you have any allergy concerns, please see the class teacher.

We will use white chocolate, edible eyes, red food colouring, edible heart sprinkles and Orea style cookies.

In **Maths** this week we will be:

- Looking at fact families to 20. We learned about these in the Autumn Term and the children were great at creating addition and subtraction calculations and talking about how they relate to each other. For example, the numbers 18, 12 and 6 are a fact family because they work together in different ways

e.g. $18 - 12 = 6$

$12 + 6 = 18$

$18 - 6 = 12$

$6 + 12 = 18$

In our **topic work**, we will be:

- Taking part in PE on Tuesdays and outdoor PE on Thursdays.
- Focusing on fish and amphibians. (Science)
- Continuing our singing practice and using a Glockenspiel (Music)
- Thinking about 'Who is Jewish and how do they live?' (RE)
- Beginning to paint our London skyline pictures. The children have chosen and drawn 3 London landmarks, this week they will paint them using primary and secondary colours. (Art)

Reading and Library books

Reading and library books will be changed on Mondays.

This week's spelling words are:

one two three four five

We would like to take this opportunity to wish you a good half term break.

Thank you for your support.

Year One Team
