Headteacher: Mrs Tameka Hue Hamilton

Monday 9th March 2026

Dear Parents and Carers,

In **English** this week, we will be:

- Planning and writing our own tall tales based on the story of Tiddler.

In **Maths** this week, we will be:

- Focusing on length and height.
- Comparing and ordering objects by height and length.
- Measuring length and height using cubes and then a ruler to measure in centimetres.

Homework: Games to play online. Topmarks - Measuring in Centimetres.

Measuring in Centimetres

[Play Game](#)

A measuring game for children aged 5 to 9 years of age. This game provides a useful introduction for children learning to use a ruler. It works well on an interactive whiteboard so that teachers can demonstrate the positioning of objects at the beginning of the scale rather than the end of the ruler.

There are two levels; one with whole numbers of centimetres and the second with mixed examples involving whole numbers and halves. The game also provides a good introduction to reading scales.

Score: 1/1

11cm 9cm 8cm 10cm

In our topic work we will be:

- Looking at creatures you may find when visiting the seaside. (Geo.)
- Taking part in PE on Tuesdays and Thursdays.
- Thinking about spending and saving. (PSHE)
- Starting a new unit on Food tech. This week the children will be naming a range of fruit and vegetables. (DT)
- Learning about herbivores. (Science)
- Learning to play the glockenspiel in preparation for our Spring Music Concert. (Music)

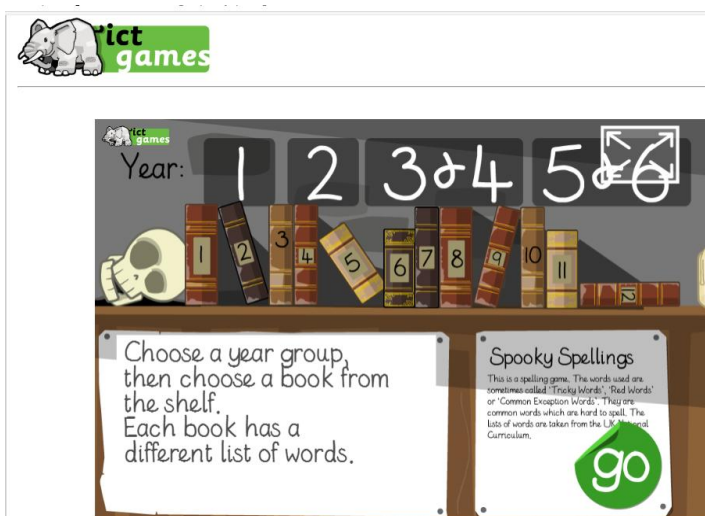

Reading and Library books

Reading and library books will be changed on Mondays.

Spellings

This week, the children will bring home a sheet with all of the Year One common exception words that we have been learning this year. To reach the expected level in reading and writing by the end of the year, your child needs to be able to read and spell all of these. Please take time to review and revisit these with your child. Next week, we will test the children on all of the words to inform our assessments and future weekly spellings.

Online, there is a game called Spooky Spellings - it is free and is an alternative way to practice learning our Year One spellings. It can also be found through the Topmarks website search bar.

Thank you for your support.
Year One Team
