Headteacher: Mrs Tameka Hue Hamilton

Monday 16th March 2026

Dear Parents and Carers,

In English this week, we will be:

- Beginning a sequence on the book 'Hidden Ocean.' This is a non-fiction text about sea creatures.
- Naming and sorting sea creatures.
- Learning and writing simple facts about sea creatures.
- Collecting information and writing facts about seahorses.

In Maths this week, we will be:

- Focusing on mass.
- Comparing objects using balance scales.
- Measuring objects using balance scales and cubes.
- Using the language heavier, lighter, heaviest and lightest.
- Completing our Spring term assessment.

Thank you for your continued support on Numbots. It is lovely to hear their enthusiasm and share their success through their certificates.

In our topic work we will be:

- Taking part in PE on Thursday.

- Thinking about things we 'want' and things we 'need' to spend money on. (PSHE)
- Trying a variety of fruits and thinking about their colour and textures. The children will then vote on which was their favourite. This will inform their DT plan to make a fun and healthy snack for children. The children will try blueberries, bananas, grapes, pineapple and watermelon. Please let us know of any allergies by Monday lunchtime. A message was sent out this week regarding this. (DT)
- Learning about omnivores. (Science)
- Learning to play the glockenspiel in preparation for our Spring Music Concert on Wednesday 1st April. (Music).

Reading and Library books

Reading and library books will be changed on Mondays. All children should have these, if your child does not have a reading or library book or it has been lost, please speak to your child's class teacher.

Thank you for your support.
Year One Team
