Tuesday 5th May 2026

Dear Parents and Carers,

In **English** this week, we will be:

- Continuing our story of Boa's Bad Birthday. There was a lot of discussion around the gifts he was given and how he may be feeling.
- Writing about a gift that Boa could give to Monkey when he was invited to his birthday party. Encouraging the children to think about suitable gifts to give.

In **Maths** this week, we will be focusing on:

- Making equal groups and sharing into equal groups.
- Doubling numbers up to 10.

Homework:

NUMBOTS - It is lovely to see so many of the children actively engaging with the Numbots maths program. The children are always excited to see who will be awarded a certificate each week. Please be reminded that Numbots remains part of our ongoing homework in Year One. Please encourage your child to access this 2-3 times a week alongside their home reading and weekly spellings. Your Numbots password is on a sticker inside the front of your Homeschool diary.

In our topic work, we will be:

- Taking part in PE on Thursday.
- Talking about how to keep ourselves safe and what to do if we got lost. We will discuss strangers and safer strangers who may be able to help. We discuss scenarios such as looking for people in uniform if lost in Tesco. (PSHE)
- Continuing a new unit called Your Imagination : practising finding the pulse, clapping rhythms and singing. (Music)
- Thinking about how weather changes through seasons of the year. (Geography)

Reading and Library books

Reading and library books will be changed on Tuesday.

Spellings

they was today one come

Thank you for your support.
Year One Team.
