6 March 2024

Dear Parents and Carers,

**Re: Year Five Bikeability**

The Year Five children are due to start their bikeability training next week 11 March 2024. All the children will take part on Monday, Tuesday, Wednesday and Thursday.

If your child is taking part in the training and is due to bring their own bike into school, they will need to secure their bike in the cycle shelter. If the cycle shelter is full, please take bikes to the Key Stage Two playground to secure them to the back fence. The children will need to bring their cycle helmets into school and store these in the classroom. As the children will be riding their bikes for the majority of the school day, they may wear suitable biking trousers into school on the relevant days. These may be tracksuit bottoms or other loose clothing that you don't mind them getting dirty or torn should they fall off their bike. We will expect the children to wear their school jumpers so that they can be easily identified as members of our school along with appropriate footwear (trainers).

All the children will be assessed and placed into appropriate ability groups. If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mr S Stein  
**PE Co-ordinator**
