Monday 15th June 2026

Dear Parents and Carers,

In English this week, we will be starting a new sequence on the book 'This is how we do it'. The book focuses on children from around the world and they discuss their families, schools, homes and travel in their country.

The children will be:

- Writing about their teachers.
- Writing about what they play with.
- Writing extended noun phrases.
- Learning about contractions e.g. she is = she's.

In Maths this week, we will be:

- Identifying coins and notes.
- Comparing the value of coins.

In our topic work, we will be:

- Taking part in Sports Day on Monday.
- Creating posters about how to care for a pet. (PSHE)

- 'Reflect, Replay and Rewind' music unit - practising finding the pulse, clapping rhythms and singing.
- Evaluating our Andy Goldworthy sculptures. The children loved creating their own art using fir cones, conkers and leaves. The children will talk about the shapes they created and patterns they included.
- Looking at the difference between rich and poor homes in Victorian times. (History)

Card making

As it is Father's Day on Sunday, we will be making a simple card in school on Thursday afternoon. The card will contain a positive message and can be written to dad, grandad, uncle, a club leader or any male role model they choose.

Reading and Library books

Reading and library books will be changed on Monday.

Spellings

This week, we would like your child to learn these words. This will help them to consolidate their understanding of the suffix -ed.

jump - jumped
look - looked
buzz - buzzed
dress - dressed
play - played

Thank you for your support.
Year One Team
