Maths:

- Focusing of spatial awareness and position
- Using positional language
- Describing where items are and what we can see

Other Areas:

- Looking at holidays in the past and comparing them with today
- Finding out about lighthouses
- Doing observational drawings of crabs
- Trying to make a bulb light using a simple circuit

Reminders:

- Drink bottles should only contain water.
- We are continuing to do PE on a Friday, so please ensure earrings are taken out.
- Our new September intake visits started last week. You may remember from your visits last year that some of the current cohort stay in the foundation stage unit to help us and to show our visitors what to do. The

remaining children will be working with Mrs Bond, Mrs Greenslade, Miss Marsh, Miss Parkinson and Miss Christian in the main hall.

- We would like to share that this week is Miss Marsh's final week with us, and we extend our gratitude for her commitment and contributions during her time here. We wish her all the best in her future teaching career.

If you have any questions, please come and see us.

The Foundation Stage Team.
