Headteacher: Mrs Tameka Hue Hamilton

Monday 29th June 2026.

Dear Parents and Carers,

In English this week, we will be:

- Starting a new three week sequence on the book 'Oi Frog!'
- Looking for rhyming words in the text.
- Using adjectives to write descriptions of the characters.

In Maths, we will be learning about time. We will focus on:

- Learning to read and show o'clock and half past on an analogue clock.
- Recapping 3D shapes - can they identify a cube, cuboid, sphere, cylinder and a cone.
- Completing our maths assessment booklet for this term.

In our topic work, we will be:

- Thinking about differences between modern and Victorian homes. (History)
- Taking part in outdoor PE on Thursday.
- Learning about where food comes from. (Science)
- Thinking about things we can do to look after our environment such as save water, recycle and litter pick. (PSHE)

Homework

Focus on halving numbers to 10. For example, can they pick out 8 cars and share them practically between you and them? This can be done 'one for me, one for you...' or can they line them up and find the middle point.

Reading and Library books

Reading and library books will be changed on Monday.

Thank you for your support.
Year One Team.
