Monday 13th July

Year 2 Weekly Newsletter

Dear Parents and Carers,

Meeting the New Teacher

On Thursday 16th July, the children will get another opportunity to meet with their new Year Three teacher.

Reports

Please check on the My Child At School app for your child's report. If you have any issues viewing the report, please contact the office.

English

This week, the children will continue studying *Traction Man* and will write their own independent version of the story *traction man*; this time the setting will be in a Supermarket. To help generate ideas, the children have watched an episode of *Super Potato* on BBC iPlayer.

Within their written they will be focusing on:

- Sentence structure,
- Expanded Noun Phrases,
- Past Tense and
- Adventure.

Maths

We will continue our topic on **Position and Direction**. During the week, the children will focus on:

- Describing turns,
- Describing patterns and
- Completing practical activities based on position and direction.

Design Technology

This week will be making are moving vehicles. Thank you to all that sent in boxes.

We cannot wait to share of final product.

Geography

We will continue our unit, '**Why Don't Penguins Need to Fly?**', which focuses on learning about Antarctica.

We will be comparing the Antarctic with the Arctic.

Sun Safety- again!

Thank you to everyone who has ensured that their child has a hat or cap in school. As the weather remains warm, it is important that children continue to bring a sun hat or cap every day.

Sun cream should be applied before school. Children may bring their own labelled sun cream to keep in school; however, sharing sun cream is not permitted.

Please also ensure that your child brings a water bottle to school each day so that they can stay hydrated. Water bottles can be refilled throughout the day.

As always, please do not hesitate to speak to a member of the Year Two team if you have any questions or concerns.

The Year Two Team

Mrs Wall , Ms Oldfield, Miss Rees
