Please ensure they are in your child's bag.

Supporting your child at home

This week your child will bring home a number formation sheet. Please practise writing these numbers at home. We have included the rhymes we teach at school. This sheet can be kept at home and practised regularly. There is no need to return the completed sheet to school.

As always, if you have any questions or messages, please contact us via ClassDojo or contact/email the office if needed.

Thank you for your support.
