25 October 2024

Dear Year Six Parents and Carers,

I hope this letter finds you well.

I am writing to share some wonderful news about the Year Six pupils this term. Over the past eight weeks, their behaviour has been nothing short of outstanding, both in and out of the classroom. They have consistently demonstrated responsibility and respect and we believe this should be celebrated.

It has been heartwarming to witness the children embodying the values we hold dear at Bickleigh Down Church of England Primary School. Even when they make mistakes, they show maturity by apologising and making amends swiftly. Their daily use of "Bickleigh Manners" contributes significantly to the positive ethos of our school and we are proud of the responsible and kind individuals they are becoming.

As we move forward, we hope that Year Six will continue on this positive path, encouraging one another with love, kindness and support. With your ongoing encouragement, we know they will keep striving to be the best versions of themselves.

I would also like to take this opportunity to thank you, parents and carers, for your unwavering support. Your commitment to helping the children remain responsible, especially in their online activities, plays a crucial role in their overall growth and well-being. We truly appreciate your efforts to monitor their online communication, including messages and other apps, as this will support and guide them to make sensible choices and stay safe online and outside of school.

Thank you for being such an essential part of our school community. Let us continue to work together to support these wonderful children on their final journey in primary school.

Yours sincerely,

Mrs. T Hue Hamilton

Headteacher
