22 January 2025

Dear Parents and Carers,

As part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition involving schools across the United Kingdom. The competition runs from 7.30 am to 7.30 pm on Friday 7th February 2025. It is all done online via the website <http://play.ttrockstars.com>.

Children can play in any game mode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below). Winning classes in the school and in the competition as a whole will be the ones with the highest average. There will be opportunities for children to play during the school day, but we also encourage them to play at home.

To support player wellbeing, there is a daily time limit of 60-minutes per player. In other words, each player can earn competition points between 7.30 am and 7.30 pm on Friday 7th February 2025. Once the player goes beyond 60-minutes of play on that day, they will still earn coins but will no longer earn points towards the competition.

In the spirit of the competition, please do not play on their behalf, but by all means, encourage and support them to the extent that it does not cause high stress levels or impact on family plans.

Thank you for your continued support.

Mrs Wall

Maths Lead
