Dear Parents and Carers,

We are delighted to inform you that we will be publishing your child's final Tapestry Journal before the school year ends. You will receive an email notification once this is done and will be able to access the journal by clicking on the link. The Year One Curriculum is different to that covered in the EYFS, so your child will no longer be registered on Tapestry from the end of this academic year.

The PDF download will stay on your page in the control panel section under the heading 'Downloads' for 28 days, so that you can download it. After the 28 days, you will be unable to access the journal and your account will be deleted.

We are unable to print any journals out for parents due to the high costs.

Please let us know if you have any difficulties in accessing your child's journal as soon as possible so that we can rectify any problems before the downloads are deleted.

We hope you enjoy your child's record of their first year of school; we have really enjoyed seeing them grow and thrive.

Yours sincerely,

Mrs S O'Toole
Foundation Stage Leader
