13 March 2024

Dear Parents and Carers,

Re: Year Two Design Technology Sewing Project

As part of the Year Two Design Technology curriculum, the children will be designing and making a hand puppet. Within this unit, the children will be using the technique of sewing. To ensure that all children have success with this, we are asking for volunteer helpers to guide small groups of children during the sewing lesson.

If you are able to offer your time to support the children, please fill in the slip below. As volunteers will be working in the classroom with the teachers, a DBS is not required on this occasion. The sewing lesson will take place on Monday 25 March 2024 from 10.15 – 11.45 am.

We greatly appreciate any help you can give.

Yours sincerely,

Mrs Wall

Mr Harding

Year Two Teachers
