Dear Parents and Carers,

We have reached the end of the Autumn term and are very impressed with how hard all the children have worked and how well they have settled in. They have all made progress and we are very proud of them.

This week, we have our Nativity performances. Tonight, please drop your child at their usual entrance between 5:20 and 5:30. We will get the children changed into their costumes. They don't need to be in school uniform. The children will be going onto the stage with bare feet. At the end of the nativity, we will take the children back to class, get them changed then dismiss them from the usual doors. We estimate that the Nativity will be finished by 6:45 p.m.

On Tuesday, those children who bought in a costume from home will bring them back at the end of the day.

There will be a collection after each performance which will be donated to the Red Cross. This charity was selected by one of the KS2 children after witnessing the devastation caused in Jamaica by hurricane Melissa.

### Diaries and Reading books

We will collect in the children's diaries and any reading books and ditty sheets on Wednesday. A new diary will be given out in January and the current merit marks will be transferred over, so that they can continue where they left off.

### Library books

Library books have been collected in today. If you still have one at home, please send it in later this week.

### Christmas cards

The school post box is now just inside the main entrance. The children can post their Christmas cards for friends in the morning. They will then be sorted and delivered at lunchtime. Please ensure each card is named and has the child's class on it, so that the older children can sort them into the correct class tray.

### Lost jumpers

We have recently been notified of a few jumpers and cardigans that have gone missing. If you could have a look at home, we would be very grateful, they are named. The children often accidentally pick up the wrong one, put it on and wear it home.

### PE kits

These were sent home last week. Please check that your child has their own belongings and send in any that aren't. If you are missing an item, please ask us as we may already have them or they may have been sent back in.

### Last day of term

Friday is the last day of term. The children will be dismissed at 13:15.

We would like to take this opportunity to wish you all a very merry Christmas. Thank you for your continued support. When we work together great things can be achieved.
